on my knees I learned last week

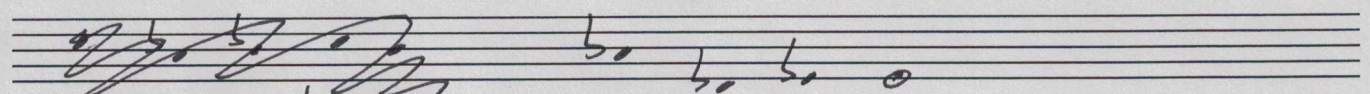

I say hit it twenty miles per hour later

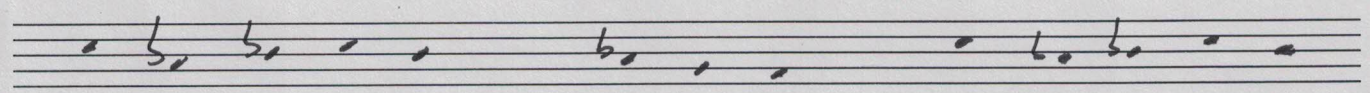

and I am gliding like a sea gull

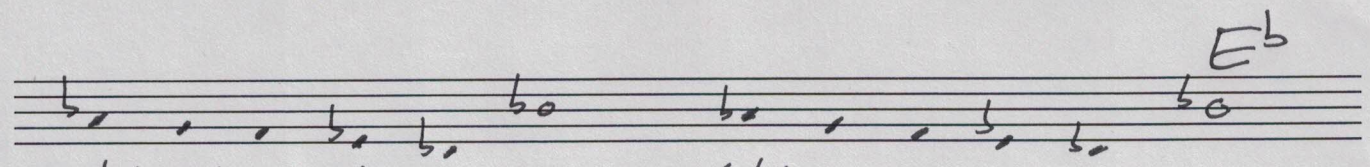

I am gliding like a surfer with a wave that doesn't end

so much pressure unless I fall

so much pressure when I'm off my turn is over

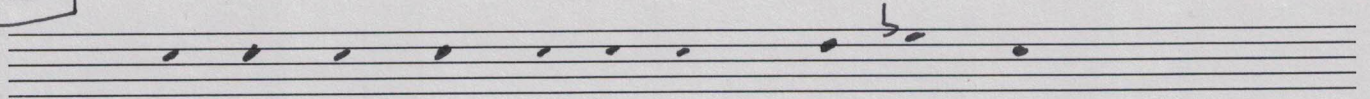

splash fall sink dive float up splash fall sink dive float up

the life vest is ne o prene black and green

I can hold the rope and when I pull like really pull

when I pull like really really pull

we will go straight backwards

orange flag straight in the air
